

GP Liaison Group Model

Legend:

GP Liaison Group: Number of GPs selected to provide a liaison role for the nominated ACH/s and to other Aged Care Service Providers. The group will also liaise with other GP ACH service providers.

ACHS: Aged Care Homes. Individual ACHs will either have direct representation or be able to feed into the Regional Stakeholder Committee.

Regional Stakeholder Committee: Committee comprised of ACH reps, pharmacist reps and GP Liaison Group. Focus of the committee will be to advance identified issues in a collaborative manner and thus feed back to respective stakeholders.
