

Agenda

Aged Care Program Workers Network Meeting

31st August 2006

Facilitator: Rosie Fenech
Chair: Lenora Lippmann

Outcomes

1. Participants to consider IT options for improving GP/Aged Care communications
2. To be updated on National developments & issues relating to the ACGPPI and to be consulted regarding the future of the program beyond July 2007.
3. To be updated on three State-level training opportunities relating to aged care, and how they may be value added by the division's panel program.
4. Participants will be provided with an opportunity to network and to share ideas about their local work
