

Tasmanian Divisions Structural Review

Weighing up the Options

Tasmania in context

- North West (703)
105 GPs
- North (702)
140 GPs
- South (701)
300 GPs
- SBO
- RWA

Overview

- Why do anything ?
- Process to Date
- What Has Happened so far ?
- Lessons Learnt
- Where to From Here ?

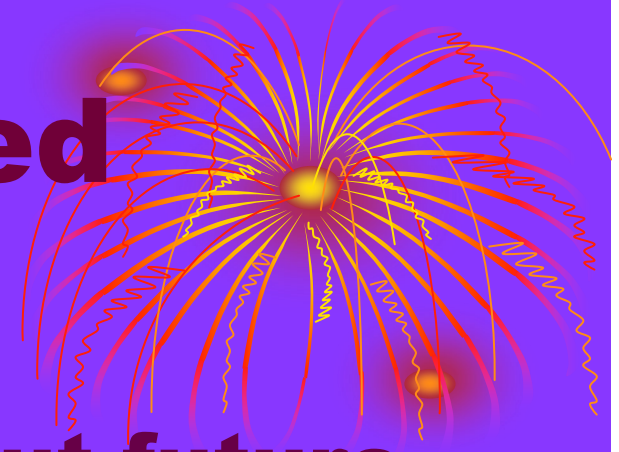

Why do anything?

- History of Combined Boards Meeting
- What did we want to improve / change ?
- Objectives
- Non-negotiables

Process to Date

- Submission for Review Funding
- Appoint Steering Committee
- Appoint Consultant WalterTurnbull
- Consultation Process
- Draft Report
- Combined Boards Meeting
(June 18th)

What has happened so far?

- **Increased thinking about future risks and opportunities – among Boards, Management and Staff**
- **Some anxiety – containing the ‘fireworks’**
- **Agreed Areas – still in progress**

Lessons Learnt

- What has been worthwhile?

independence of consultant, staff involvement, consensus approaches, equality of input

- Risk Management Strategy ?

Did we anticipate the risks well enough ? Did we manage risks tightly enough ?

- Would we do things differently ?

Where to from here?

- Combined Boards Meeting on 18th June
- Sky is the limit ? Climb the mountain ?
- Watch out for ravine ? Fall off a cliff ?

Questions ?

- Northern Division – Phil Edmondson
- Southern Division – Sue Moir
- Northwest Division – Elvie Hales
- TGPD – Sarah Male
