

CHSs and Divisions

Bill Newton, CEO, GPDV

GPDV is a QIC accredited organisation

All Victorian divisions:

- Employ non-GP staff to help practices
 - recruit staff
 - manage chronic disease
 - improve quality of care
- Have high levels of GP membership
- Support general practice shift from episodic to systematic care

All Victorian divisions:

- Visit practices and provide 'tailored' support
- Facilitate regular network meetings for practice nurses and practice managers
- Provide accredited Continuing Professional Development for GPs
- Advocate for general practice issues to be heard and understood

CHSs making the most of divisions

- CHS GPs members of divisions
- CHS staff access services of divisions for their general practices
- CHS and divisions work on health system issues ie access to allied health, referral and feedback protocols
