

15th CENTURY CHINESE BATTLE PLAN

- By Jenny Downes-Brydon
- GP Consultant
- Southern Health

1. Study the Enemy

2. Avoid Predictable Attacks

3. Do not be
Negligent, Even in
Trifling Matters

4.The Way is in Training

5. Deal With Perception, Not Sight

6.Do Not Engage
in Useless Activity

7. Know The
Way Of Many
Weapons

8. Plan Logically
But Attack
Emotionally

9. Do Not Intend
To Wound But
To Kill
