

Working with Divisions of General Practice Workshop

(Or “everything you ever wanted to know about divisions but were afraid to ask!!”)

Pre Workshop Questionnaire

Purpose

This information will assist GPDV to:

- confirm the number of participants
- gauge the contact with divisions/GPs in your ongoing agency and PCP work
- gain an indication of your learning needs and expectations

Participant details:

Name:

Position:

Agency:

LGA & town in which your work is focussed:

Member of which PCP committee/wkg group(s) etc:

1. **What are your learning expectations for the “Working with general practice” Workshop? Please list below.**

2. **Please reflect on your experiences in working with divisions &/or GPs over the past two years and indicate your responses to the following questions:**

With which of the following groups have you had work-related contact & to what extent? Please tick the relevant boxes.

	Frequent	Occasional	Hardly ever
Division Program Staff			
Division CEO/EO			
Division Chairperson or Board member			
Individual GP(s) – division related matters			
Individual GP(s) – not division related matters			
Other individual or agency related to general practice.			

Please specify			
----------------	--	--	--

Please describe the most positive contact you've had with divisions and/or general practice and comment on the outcomes or achievements you think have been gained from this work.

Positive contact

Outcomes/achievements ...

3. Division Program & how divisions work

Please tick the box that best describes your knowledge of each of the aspects of the Divisions Program & how divisions work as listed

	Use this knowledge to inform my activities with general practice	Know something about it, but not sure how to use it in my contact with general practice	Would like to develop further
Core roles & functions of divisions			
Where division funding comes from			
General practice representation – structures & issues			
Programs, strategies & activities of division in this catchment			
How divisions in this catchment work with GP members			
Outcomes that divisions in this catchment are seeking to achieve			
Profile of GPs in this catchment			

Comments

4. In which of the following opportunities for engaging with GPs would you like to develop further knowledge? Please indicate by ticking the appropriate boxes below. Please specify if there are particular aspects of these areas that you would like to focus on.

Multidisciplinary care planning & case conferencing through EPC MBS items	Improved management of chronic diseases: asthma & diabetes	Mental health initiatives through divisions	GP professional development	GP-hospital communication	Practice nurses

Comments:

Many thanks for taking the time to respond. This information will assist GPDV in planning a relevant and effective program.
